

**WARMSFIELD – CUM – HEATH PARISH COUNCIL  
EXTRACTS FROM THE ANNUAL MEETING HELD ON 16 MAY 2012**

Public Participation – There were a number of Parishioners present, and the main cause for concern was the invasion of Heath Common by Travellers over the previous weekend. Cllr Fisher & District Cllr Dagger explained that an event at Pugneys was cancelled at the last minute by WMDC, because of waterlogged ground, and the Travellers involved moved onto Heath Common on Friday evening. They were not given permission by WMDC, and when asked to move by WMDC Officers they refused. The Police were called but declined to use Sect 61 of the Crime & Disorder Act. Accordingly, therefore, WMDC applied for a Court Order, but following a strong Police presence on Sunday, they finally moved off on Monday morning. Initially the presence was limited to the Life and Light Mission contingent from Pugneys, but this was soon augmented by numerous other Travellers who had been made aware of the invasion.

As a result, there were numerous problems caused including noise, litter, drivers doing wheel spins & doughnuts which have ruined this area of the Common, dangerous driving and use of the hedges etc as toilets.

Andrew Balchin, who is Corporate Director of Communities at WMDC, was present and agreed to follow up the issues raised, and to work with the Parish Council and Residents Association to look at making it more difficult to access the Common illegally, and more importantly to develop a strict protocol which will come into operation to prevent anything similar ever happening again.

Mr Bobby Price, from the local travelling community, was present and agreed that matters had got out of hand. He agreed to take up the issues raised from his side.

Cllr Dagger also raised the issue of the Planning Application for use of land at Hell Lane, Heath for outdoor sporting activity. He confirmed that this Application would now be heard by the Planning Committee and urged attendance at the meeting.

He also confirmed that retrospective Planning Applications had been lodged for both of the illegal Travellers residential sites in Warmfield.

Subsequently, the Chair signed the Declaration of Acceptance of Office which was witnessed by the Clerk.
