

**WARMFIELD – CUM – HEATH PARISH COUNCIL  
EXTRACTS FROM THE MEETING HELD ON 21 NOVEMBER 2012**

Public Participation – District Cllr Dagger reported further on the potential open cast operation, by U K Coal, between the A655 and the railway line at Sharlston, part of which lies within the Parish Boundary. He reported on the recent public meetings, which had been attended by Members, and confirmed that whilst the coal, (approx 1.18 million tonnes), would be removed by rail, the large amount of fireclay overburden (approx 100,000 tonnes) would be removed by road via the A6565 Black Road. It is also proposed to close Hell Lane as a through route, probably on a permanent basis. It was agreed that a formal Parish Council would be made in response to any formal Planning Application.

Cllrs Dagger and Wassell both commented on the report in the Wakefield Express on the subject of Gypsy Sites, which it was agreed was totally misleading. There has been no green light for illegal Gypsy Sites, but there is a need to identify official sites in order to have one to offer when illegal sites are the subject of any Inquiry etc.

Community Centre – The Clerk reported that the Community Centre Account currently stands at £496.61. The Centre had been used for the recent Elections for the Police & Crime Commissioner, but the possibility of use for a village shop had not come to fruition.

Clerk's Progress Report – A number of issues were reported upon, as follows:

- The Clerk reported that the recent invoice from WMDC for the maintenance of the Kirkthorpe Church Burial Grounds had been challenged, and a reduced demand was expected.
- A letter had been sent to WMDC Environmental Health Dept, regarding the sale of Fruit & Vegetables etc from a local front garden) and a response received. The householder is limited to farm/home gate sales, ie surplus food produced in a garden or Allotment.
- Emails have been sent to WMDC Highways regarding the proposal to site a public bench at the junction of Warmfield Lane & Boundary Lane, and also the condition of the footway in Kikthorpe Lane around the bend on the approach to Heath Village. To date no response has been received.

Finance – the Clerk provided Members with a statement on the current financial position of the Parish Council, and also presented appropriate cheques for payment.
