109/08/24. COMMUNITY CENTRE

a. To consider the quotes for the Community Centre roof. The Clerk has obtained 3 quotes for the repair/renewal of the Community Centre roof and these have been emailed to the Parish Councillors before the meeting. All 3 companies have said that the roof is not worth repairing and that a new roof should be fitted. The roof is split into 6 sections. It was resolved that a felt roof would be better than a rubber roof and that all the roof should be renewed at the same time. The quotes were considered. It was resolved that the Clerk should instruct F C Burrow to carry out the work as soon as possible provided that an adequate guarantee of at least 10 years was provided at a cost of £11,280 plus VAT. The guttering was not mentioned in the quote. It was resolved that the Clerk would go back to F C Burrow and ask whether the guttering needed replacing too and if it did the Parish Council would agree to a cost of up to £500 to replace the guttering.

110/08/24. ADDITIONAL MINOR MATTERS/ITEMS FOR THE NEXT AGENDA

- There have been several occasions where guns have been fired close to residents properties. It was resolved that if Cllrs can provide details of times and locations of these incidents and pass these on they can be reported.
- A large static caravan has appeared in a field off the A655 at the bottom of Pineapple Hill. It was resolved that the Clerk would email Planning Enforcement regarding this.
- There are several pot holes on Kirkthorpe Lane from Kirkthorpe to Heath at the bottom of Green Lane. It was resolved that the Clerk would email Highways regarding these.
- There has been no update on the traffic calming for Kirkthorpe lately. It was resolved that the Clerk would email Wakefield Council for an update on this.
